Finding your place in the Fathers heart

Simply His Ministries

'Simply His was born to draw you to a life-changing encounter with Father God. To be accepted and secured in His love is to walk free - free from shame and rejection, your identity rediscovered.'

Heather and David serve as leaders in their local church. Having received teaching and impartation from James Jordan, Jack Frost and others, they minister internationally at conferences, schools and weekend encounters. Come and receive a heart-warming touch from Father and be transformed!
