## *'Focus on Freedom!'*

'Youth With A Mission' in partnership with 'Simply His Ministries' are holding a one week seminar entitled "*School of the Heart*" with a *'Focus on Freedom'*.

This is a time for you to go deeper into a revelation of the Father's unconditional love - - a time to come and know His ways and allow His truth to permeate your heart and transform your life. It is *knowing* the truth that sets you free.

Come and renew your mind and heart and be set free to live life to the full!

This is an opportunity to encounter the Father's heart of love for you personally, to receive healing for your soul and to enable you to walk in freedom as His son / daughter; to receive His love and give it away to others!

The week will include a mix of teaching, small groups, soaking prayer and personal ministry.
